Samuel Gustavo Ruiz Torres

JavaScript | React JS | Web Developer | User Interface / User Experience
Modesto, CA, 95351 | (209) 809-9422 | sruiz7@csustan.edu

SUMMARY

Adaptable Computer Science major currently attending California State University Stanislaus, with 7+ years of work experience. Aiming to leverage a proven knowledge of Javascript, React, agile development, and communication skills to successfully fill React JS developer position. Frequently praised as hard-working by my peers, and can be relied upon to help your company achieve its goals.

EDUCATION

CALIFORNIA STATE UNIVERSITY STANISLAUS   **Turlock, CA**

B.S. Computer Science Candidate (Expected graduation May 2020)

EXPERIENCE

Novo Technologies   **Modesto, CA**

Font-End Developer & UI/UX Intern   *Nov 2019 – Present*
- Overhauling the UI/UX of a production application using Adobe XD which accelerated user's turnaround time by 200%.
- Incorporating the React front-end library and other modern technologies to implement my UI/UX design for a production application which improved the scalability of the project tremendously.
- Drafting user stories, flowcharts, personas, tasks, and sprint backlogs for our scrum sprints that increased my team's productivity whenever we receive adjustments form business.

Google Developer Group Cloud Turlock   **Turlock, CA**

Organizer   *Jan 2018 – Present*
- Building relationships with sponsors and co-organizers to plan scope and format of events, to establish and monitor budgets, or to review administrative procedures and event progress which led to a 4x increased yearly budget for events.
- Conducting technical workshops where students learn cutting edge computer science topics and technologies that aren't taught in our campus's classes which reinforced my own computer science skills greatly.
- Building a welcoming community of Computer Science Students by organizing team building events and increased the overall number of members within the developer group.

T-Mobile Wireless   **Turlock, CA**

Mobile Expert / Sales   *Jan 2018 – Jan 2019*
- Became part of an invested team that helped our store become the #1 leading store in the district in terms of sales and customer satisfaction.
- Prioritized customer's needs by teaching them all the options our company had to offer and demonstrated a ~90% customer satisfaction score, months after being hired up through my departure.
- Trained to communicate with customers effectively in order to make every transaction, a personal, and unique experience. This effectively led to easily achieving my monthly quotas.

Cloth 5 Inc.   **Melbourne (Remote), Victoria**

Lead Graphic Designer / Graphic Artist   *Aug 2012 – Feb 2014*
- Demonstrated my graphic design skills by utilizing the vast Adobe Suite Software, including: Photoshop, Illustrator, Lightroom, & Dreamweaver in order to ensure graphics were created on a strict deadline basis.
- Achieved the status of Lead Graphic Designer within 3 months of obtaining the position of Graphic Designer Intern.
- Communicated and collaborated with co-workers remotely, across the world in order to discuss the nature of articles and graphics that were needed to be created to best compliment our writer's articles.

ADDITIONAL SKILLS

- Spanish Speaker - Conversational, Reading, & Writing

CREDENTIALS AND LICENSES

- California Basic Education Skills Test (Substitute Teaching)
